- (A) Abdul Ghaffar Khan
 - (B) Maulana Abul Kalam Azad**
 - (C) Muhammad Ali Jinnah
 - (D) Syed Ahamed Khan

1

3. Who set up the Oudh Kisan Sabha? 1
 - (A) Alluri Sitaram Raju
 - (B) Jawaharlal Nehru and Baba Ramchandra**
 - (C) Jawaharlal Neharu and Shaukat Ali
 - (D) Mahatma Gandhi

4. America's original inhabitants had no immunity against diseases that came from Europe. _____, in particular, proved a deadly killer. 1
 - (A) Chickenpox
 - (B) Measles
 - (C) Smallpox**
 - (D) Filaria

5. Sri Lanka emerged as an independent country in which year? 1
 - (A) 1948**
 - (B) 1947
 - (C) 1949
 - (D) 1958

6. A social division based on shared culture. People belonging to the same ethnic group believe in their common descent because of similarities of physical type or of culture or both. They need not always have the same religion or nationality. 1

(A) **Ethnic**
(B) Racial
(C) Hierarchy
(D) Patriotic

7. Which among the followings is the distinguishing feature of a federal government 1
- (A) National government gives some powers to the provincial governments.
(B) Power is distributed among the legislature, executive and judiciary.
(C) Elected officials exercise supreme power in the government.
(D) **Governmental power is divided between different levels of government**

8. Match List I with List II and select the correct answer using the codes given below the lists: 1

List I	List II
1. Union of India	A. Prime Minister
2. State	B. Sarpanch
3. Municipal Corporation	C. Governor
4. Gram Panchayat	D. Mayor

(A) 1-D, 2-A, 3-B, 4-C
(B) 1-B, 2-C, 3-D, 4-A
(C) **1-A, 2-C, 3-D, 4-B**
(D) 1-C, 2-D, 3-A, 4-B

9. The distinguishing feature of communalism is: 1
- (a) Followers of a particular religion must belong to one community.
(b) Communalism leads to the belief that people belonging to different religions can live as equal citizens within one nation.
(c) **A communal mind does not lead to the quest for political dominance of one's own religious community.**
(d) A secular constitution is sufficient to combat communalism.

10. In India, seats are reserved for women in: 1
- i. Lok Sabha
ii. State legislative assemblies
iii. Cabinets
iv. Panchayati Raj bodies
- (A) i, ii and iv
(B) ii, iii and iv
(C) **iv**
(D) i and iv

11. What is a group of people who come together to contest elections and hold power in the government? 1
- (A) Pressure group

- (B) **Political party**
 (C) Interest group
 (D) Business lobby
12. The party system in India is primarily: 1
 (A) One-party system
 (B) Two-party system
 (C) **Multi-party system**
 (D) No-party system
13. Assertion: Money acts as a medium of exchange. 1
 Reason: Money facilitates transactions without the need for barter.
 (A) **Both Assertion and Reason are true, and Reason is the correct explanation of Assertion.**
 (B) Both Assertion and Reason are true, but Reason is not the correct explanation of Assertion.
 (C) Assertion is true, but Reason is false.
 (D) Assertion is false, but Reason is true.
 (E) Both Assertion and Reason are false.
14. Land degradation due to over irrigation can be seen in the state of 1
 (A) Rajasthan
 (B) Maharashtra
 (C) Gujarat
 (D) **Haryana**
15. The term "biodiversity" refers to: 1
 (A) The variety of life on Earth
 (B) The number of species in a habitat
 (C) The genetic variation within a species
 (D) **All of the above**
16. Assertion: Deforestation is a major cause of global warming. 1
 Reason: Deforestation leads to a decrease in the Earth's overall forest cover, reducing its ability to absorb carbon dioxide.
 (A) **Both Assertion and Reason are true, and Reason is the correct explanation of Assertion.**
 (B) Both Assertion and Reason are true, but Reason is not the correct explanation of Assertion.
 (C) Assertion is true, but Reason is false.
 (D) Assertion is false, but Reason is true.
 (E) Both Assertion and Reason are false.
17. Which of the following is not a component of the HDI? 1
 (A) Life expectancy at birth
 (B) Per capita income
 (C) Educational attainment
 (D) **Environmental quality**
18. The informal sector of the Indian economy is characterized by: 1
 (A) Large-scale enterprises
 (B) Regulated employment

(C) High wages

(D) Unorganized labor

19. The Indian government introduced economic liberalization policies in: 1
(A) 1947
(B) 1965
(C) 1991
(D) 2001
20. The term "multinational corporation" means 1
(A) **A company that operates in multiple countries**
(B) A company that is owned by multiple governments
(C) A company that produces multiple products
(D) A company that is located in multiple cities

SECTION B: VERY SHORT ANSWER QUESTIONS [2X4=8 MARKS]

21. **How did Silk Routes link the world? Explain with a suitable example.** 2

Answer. The silk routes are a good examples of trade and cultural link between distant parts of the world, it can be explained as follows:

- Historians have identified several silk routes, over land and sea, knitting together vast regions of Asia and linking Asia with Europe and Northern Africa.
- Chinese pottery travelled the same route, as did textile and spices from India.
- Precious metals like gold and silver flowed from Europe to Asia.
- Buddhism emerged from India and spread in several directions through intersecting points on the silk route.
- Any other relevant point.

OR

1. Trade and exchange- different regions cultivated unique crops and spices. through trade merchants exchanged these food items over long distance facilitating cultural interactions.
 2. Culinary influences- As food items traveled across regions they influence local cuisines. people adopted new cooking methods spices and ingredients creating a blend of flavours.
- Any other relevant point.

22. **State any two measures adopted by Sri Lanka in 1956 as part of their majoritarian policy.** 2

Answer:

- In 1956 an Act was passed to recognise Sinhala as the only official language thus disregarding Tamil.
- The governments followed preferential politics that favoured Sinhala applicants for university positions and government jobs.
- A new Constitution stipulated that the state shall protect and foster Buddhism.
- Any other relevant point.

23. **What is decentralisation? Why is it important for a country like India?** 2

Answer: Decentralization means transferring power and decision-making authority from a central government to lower-level local bodies, like district councils or village panchayats, allowing them to address local issues more effectively.

For a country like India, this is crucial because it enables better governance by allowing citizens

to participate directly in decision-making processes, addressing diverse regional needs, and promoting inclusive development across the vast geographical landscape.

24. **Give any two main factors responsible for the location of industries.**

2

Answer: Two main factors responsible for the location of industries are: availability of raw materials and proximity to market; essentially, industries tend to settle where they can easily access the necessary raw materials for production and where they can readily sell their finished goods to consumers.

SECTION C: SHORT ANSWER QUESTIONS [3X5=15 MARKS]

25. **Why were Indians outraged by the Rowlatt Act?**

3

Indians were outraged by the Rowlatt Act for many reasons, including:

- i. Curbed fundamental rights: The act restricted freedom of expression and other basic rights.
- ii. Gave the government too much power: The act gave the government the power to repress political activities and detain political prisoners without trial for up to two years.
- iii. Passed without Indian consent: The act was passed quickly through the Imperial Legislative Council, even though Indian members opposed it.
- iv. Undemocratic and oppressive: The act was considered undemocratic and oppressive, and hurt national sentiments and dignity.
- v. Aimed to make the British permanent rulers: The act was intended to make the British permanent rulers of India.
- vi. Any other relevant point.

26. **How are political parties recognised as regional and national parties in India? Explain with example.**

3

Answer:

Political parties as regional party. A regional party is a party that is present in only some states, Regional parties or State parties need not be regional in their ideology. They have state identity as they are present only in some states. Some of these parties are all India parties that happen to have succeeded only in states.

For Example, Samajwadi Party, Rashtriya Janta Dal, Trinamool Congress, Shiv Sena, etc.

Conditions required for a party to be recognized as a regional political party:

- (i) A party that secures at least six percent of the total votes in an election to the legislative assembly of a state.
- (ii) Wins at least two seats in the legislative assembly.

Political parties as national party. National political parties have their units in various states. By and large all these units follow the same policies, programmes and strategy that is decided at the national level.

For Example, BJP, Indian National Congress.

Conditions required to be a national political party:

- (i) A party that secures at least 6% of the total votes in general elections of Lok Sabha or assembly elections in four states
- (ii) A party that wins at least 4 seats in the Lok Sabha.

Any other relevant point.

Or

Lack of internal democracy within parties, Members of one family hold complete control in many parties, Rising role of muscle power and money power during election etc.

27. **How many cropping seasons are found in India? Write a short note on each.** 3

Answer:

- Rabi crops are sown in winter from October to December and harvested in summer from April to June. Some of the important rabi crops are wheat, barley, peas, gram and mustard.
- Kharif crops are grown with the onset of monsoon in different parts of the country and these are harvested in September-October. Important crops grown during this season are paddy, maize, jowar, bajra, tur (arhar), moong, urad, cotton, jute, groundnut and soyabean.
- In between the rabi and the kharif seasons, there is a short season during the summer months known as the Zaid season. Some of the crops produced during 'zaid' are watermelon, muskmelon, cucumber, vegetables and fodder crops.

28. **Compare the employment condition of workers in the organised and unorganised sectors.** 3

- Job Security: Organized sector offers high job security with formal contracts, whereas the unorganized sector has very unstable employment with potential for arbitrary termination.
- Benefits: Workers in the organized sector receive various benefits like paid leaves, gratuity, provident fund, medical insurance, and pensions, while unorganized sector workers usually lack such benefits.
- Regulation: The organized sector is strictly regulated by government laws like the Factories Act, Shops and Establishments Act, ensuring compliance with labor standards, whereas the unorganized sector operates largely outside government oversight.
- Wages: Organized sector workers typically receive higher and more stable wages based on government guidelines, while unorganized sector wages are often lower and can fluctuate depending on work availability.
- Working Hours: Organized sector usually has fixed working hours, while unorganized sector workers may have irregular and unpredictable working hours.
- Any other relevant point.

29. **Distinguish between the public sector and the private sector.** 3

Key points to differentiate:

- Ownership: Public sector - Government; Private Sector - Individuals or groups
- Primary motive: Public sector - Public welfare and service delivery; Private Sector - Profit maximization
- Funding: Public sector - Taxpayer money; Private Sector - Private investments
- Examples: Public sector - Railways, Post office, Public hospitals; Private Sector - Reliance Industries, Tata Group, HDFC Bank
- Any other relevant point.

SECTION D: LONG ANSWER QUESTIONS [5X4=20 MARKS]

30. **Who was Giuseppe Mazzini? Describe his role in the unification of Italy.** 5

Answer: Giuseppe Mazzini was a renowned Italian politician, journalist, and activist who played a pivotal role in the unification of Italy, known as the Risorgimento. He was a passionate

advocate for Italian independence and unity, envisioning a unified Italy as a republic.

Mazzini's contributions to the unification movement were multifaceted:

- **Founding of Young Italy:** In 1832, Mazzini established the secret revolutionary society "Young Italy." This organization aimed to promote Italian unification, independence, and the establishment of a republic. It inspired and mobilized young Italians to fight for their nation's freedom.
- **Ideological Inspiration:** Mazzini's writings and speeches fueled the nationalist sentiment among Italians. He emphasized the importance of national unity, self-determination, and democratic principles. His ideas resonated with many Italians who were yearning for a unified, independent nation.
- **Revolutionary Activities:** Mazzini participated in several uprisings and revolutions aimed at overthrowing foreign rule and establishing Italian unity. Although these attempts were often unsuccessful, they helped to raise awareness of the Italian cause and maintain the revolutionary spirit.
- **Influence on Other Leaders:** Mazzini's ideas and actions inspired other key figures in the Risorgimento, such as Giuseppe Garibaldi and Camillo Cavour. His vision of a unified Italy provided a guiding principle for their efforts.
- While Mazzini's ultimate goal of a republican Italy was not immediately realized, his contributions were instrumental in laying the groundwork for Italian unification.
- His unwavering commitment to national independence and his ability to inspire and mobilize the Italian people made him a key figure in the Risorgimento.
- Any other relevant point.

Or

Explain the measures introduced by the French Revolutionaries to create a sense of collective identity amongst the people during the French Revolution.

Answer:

- The ideas of la Patrie (the fatherland) and le citoyen (the citizens) were introduced, which unified people by giving them equal rights under a constitution.
- The French tricolour was chosen as the new flag instead of the former royal standard.
- Citizens were allowed to elect members to the Estates-General, which was renamed as the National Assembly.
- A central administrative system was put in place and it formulated uniform laws for all citizens within its territory.
- French became the common language as it was written and spoken in the capital city of Paris, and regional languages were discouraged.
- A uniform system of weights and measures was introduced and it was followed by the abolition of customs duties and dues.
- Any other relevant point.

31. **What are the stages of resource planning in India? Why is it essential to have resource planning?**

5

Stages of resource planning-

- **Identification and inventory of resources:** This initial stage involves surveying, mapping, and measuring the quantity and quality of various resources like land, water, minerals, forests, etc., across different regions of the country.
- **Planning structure development:** Once resources are identified, a suitable framework is created for their development, including the necessary technology, skills, and institutional setup to manage and utilize the resources effectively.

- Matching with national development plans: The resource development plans are then aligned with the overall national development goals to ensure that resource utilization contributes to the country's economic and social progress.

Why is resource planning essential?

- Resource conservation: By identifying and mapping resources, planning helps to prevent overexploitation and conserve non-renewable resources like minerals.
- Balanced regional development: Resource planning aims to distribute resources equitably across different regions, addressing disparities and promoting balanced development.
- Sustainable development: By considering environmental factors and future needs, resource planning helps ensure that resource utilization is sustainable and does not harm the environment.
- Efficient utilization: Proper planning helps to minimize waste and optimize the use of available resources.
- Any other relevant point.

Or

Suggest the methods of soil conservation suitable to Indian conditions.

- Contour ploughing: Ploughing along the contour lines of a slope, which slows down the flow of rainwater and reduces erosion.
- Terrace farming: Creating step-like structures on slopes to hold water and prevent soil runoff, particularly beneficial in hilly areas.
- Crop rotation: Growing different crops in the same field in different seasons, which helps maintain soil fertility and prevents nutrient depletion.
- Shelterbelt plantation: Planting rows of trees or shrubs as windbreaks to protect fields from wind erosion, especially in arid regions.
- Strip cropping: Dividing fields into strips, with alternating rows of crops and grass, to reduce wind erosion.
- Mulching: Covering the soil surface with organic material like straw or leaves to prevent erosion and retain moisture.
- Any other relevant point.

32. Discuss the Outcomes of Democracy. How does democracy ensure transparency and accountability?

5

Democracy ensures transparency and accountability through a number of ways, including:

- Citizens elect their leaders: Citizens have the right to choose their rulers and have control over them. Elected officials are accountable to the electorate and can be voted out if they fail to meet expectations.
- Citizens participate in decision-making: Citizens can participate in decision-making whenever the government takes feedback regarding some laws or policies.
- Decision-making is based on norms and procedures: Citizens can find out if a decision was taken through the correct procedures.
- Citizens have the right to examine the process of decision-making: Citizens have the right and the means to examine the process of decision-making.
- Government is responsive to citizens' needs: Leaders strive to address citizens' needs and concerns, ensuring policies align with public interests.
- Any other relevant point.

Or

“Democracy is better form of government than any other alternative” Analyse the statement.

Democracy is considered a better form of government than other alternatives for several reasons, including:

- Accountability- Democratic governments are accountable to the people who elect their rulers.
- Decision-making- Democratic decisions are made through discussion and consultation, and involve many people.
- Conflict resolution- Democracy provides a way to deal with differences and conflicts that are a natural part of society.
- Dignity- Democracy is based on the principle of political equality, where everyone has the same status, regardless of their wealth or education.
- Mistake correction- Mistakes in a democracy are not hidden for long, and there is room for public discussion about them.
- Responsibility- Democratic governments are more responsible because they meet the needs of society.
- Constitutional government- Democratic governments have a formal constitution, while other forms of government may not.
- Regular elections- Democratic governments hold regular elections, while other forms of government may not.
- Political parties- Democratic governments have political parties, while other forms of government may not.
- Citizen rights- Democratic governments guarantee rights to citizens, while other forms of government may not.
- Social diversity- Democratic governments accommodate social diversity, while other forms of government may not.
- Any other relevant point.

33. **Analyze the role of Money and Credit in the Indian economy.**

5

- Money- Facilitates the exchange of goods and services, making it easier to carry out trade.
- Credit- Provides financial resources for economic growth, entrepreneurship, and infrastructure projects. Credit is also important for individuals, helping them meet expenses, complete tasks, and earn more profits.
- Here are some other ways money and credit contribute to the economy:
- Economic development- Credit is essential for economic development, and is in high demand for many economic activities.
- Rural development- Credit helps farmers in rural areas by providing funds to buy seeds, fertilizers, and pesticides.
- Manufacturing- Credit helps manufacturers buy raw materials and meet production expenses.
- Poverty alleviation- Credit helps individuals invest in income-generating activities, such

as small businesses and agriculture.

- Financial inclusion- Credit helps reduce income inequality and promotes sustainable development by ensuring more people have access to financial services.
- Any other relevant point.

Or

Explain the role of Self-Help Groups in the rural society.

- Microfinance: SHGs act as a source of microcredit by providing small loans to members for various needs like starting small businesses, purchasing livestock, or meeting emergency expenses, which is particularly important for those who struggle to access traditional bank loans due to lack of collateral.
- Savings mobilization: Members regularly contribute small amounts of savings to the group, which creates a collective fund that can be used for lending to other members or for community projects.
- Social empowerment: SHGs provide a space for women to discuss and address social issues like health, education, domestic violence, and gender inequality, fostering collective action and decision-making power.
- Capacity building: Through regular meetings and training programs, SHGs help members develop financial literacy, leadership skills, and business management knowledge.
- Linkage with formal institutions: Many SHGs are linked with banks, allowing them to access larger loans once they demonstrate a good credit history within the group.
- Any other relevant point.

SECTION E: CASE-BASED QUESTIONS [4X3=12 MARKS]

34. i. What was the Vernacular Press Act?

The Vernacular Press Act of 1878 allowed the British government to censor and seize vernacular newspapers that published seditious content against colonial rule. 1

ii. Why did the colonial government pass the Vernacular Press Act?

The Act was passed to suppress the rising nationalist sentiments and criticism of British rule in vernacular newspapers after the Revolt of 1857.

iii. Why did the attitude towards press freedom change after 1857? 1

After the Revolt of 1857, the British attitude towards the freedom of the press in India became more hostile. The revolt had shown the British how powerful communication and dissent could fuel resistance. Vernacular newspapers, in particular, became bold in their nationalist tone, criticizing colonial policies and promoting unity against British rule. In response, the British saw the press as a potential threat and sought to curb its influence through repressive laws like the Vernacular Press Act to prevent future uprisings or challenges to their authority. 2

35. i. What was the purpose of inundation channels in the flood plains of Bengal? 1
- Inundation channels were used to irrigate fields by capturing floodwaters in the flood plains of Bengal.
- ii. Name one traditional water-harvesting technique used in hilly regions of ancient India. 1
- One traditional technique was the construction of guls or kuls in the Western Himalayas for diverting water for agriculture.
- iii. What were the two main factors that made water-harvesting systems a viable alternative to multipurpose projects? 2
- Water-harvesting systems were socioeconomically and environmentally viable alternatives due to their adaptability to local conditions and lower environmental impact compared to large multipurpose projects.
36. i. What are some non-material things that people seek besides income? 1
- People seek equal treatment, freedom, security, respect, and social acceptance.
- ii. Why are non-material things important for the quality of life? 1
- Non-material things contribute to emotional well-being, social harmony, and personal fulfillment, which are essential for a good quality of life beyond material wealth.
- iii. What is the main message of the paragraph regarding the importance of non-material things? 2
- The main message is that non-material aspects like respect, freedom, and relationships are as important as income for a fulfilling life, and they should not be ignored.

SECTION F: MAPS – [5 MARKS]

- 37a. On the given political map of India, name and locate the following: 2
- A. The place where the Session of Indian National Congress was held in Dec 1920.- Nagpur
B. Locate the place where Mahatma Gandhi broke the salt law.- Dandi
- 37b. 37b. Geography: Mark the following on the map of India: 3
1. Naraura nuclear power plant
 2. The Bhakra Nangal dam
 3. Marmagao Sea Port.
